REFERENCE LETTER FOR TRIPLO4 SUSTAINABLE SOLUTIONS FOR ENVIRONMENTAL PROJECTS UNDERTAKEN FOR THE MUNICIPALITY

Dear Sir / Madam

It gives the municipality great pleasure to write a reference letter for **TRIPLO4 SUSTAINABLE SOLUTIONS**; the company has worked with the municipality particularly Community Services and Public Amenities on numerous occasions dating back from 2016. The service the company always provides is exceptional and of higher caliber. They have done the following projects with the municipality under Community Services and Public Amenities Business Unit:

- Application for Air Emissions License for KwaDukuza Crematorium; and this included the Water Use License and Section 24G application; this became very successful the municipality attained the license.
- Environmental Control officer services for the establishment of a cemetery in the Southern section of KwaDukuza Municipality.
- Done applications to the Environmental Authorities pertaining to the KwaDukuza coastal management and maintenance.
- Done Section 30 Emergency Application for the Thompsons Bay and Willard beach.
- Currently they are doing an application for Air Emissions License and Environmental Impact Assessment for Vlakspruit Crematorium, the crematorium which will be developed in the Southern part of KwaDukuza.

They always conduct themselves in a professional manner. Their organization delivers an impeccable and consistently high service. They have dedicated skilled staff that promote and offer an exceptional work ethic as well as customer service; they also demonstrate great sense of responsibility and passion in executing the tasks/assignments allocated to them.

Should you have any queries do not hesitate to contact me on 032 - 437 5089.

Yours faithfully

Mr. S.M. Khanyile
